We divide our sustainability strategy into four impact areas:

Recycled Materials.

At least 30% recycled materials in 100% of our plastic products by 2030.

Zero Waste.

Eliminate all production waste by 2027.

Design for Circularity.

Designing products for recycling.

Responsible Workplace.

For our employees and suppliers.

NHG presents a range of durable and functional home goods that are not only designed to endure but are also environmentally conscious.
